January, 2008

Dear North American Booster Club Association Members,

Thank you for considering the BenchBuddy™ environmentally-friendly, biodegradable seat cushion for your fundraising needs. Spectators are naturally attracted to this product because of its low cost comfort. Fundraisers are attracted because of the profits generated. Our standard BenchBuddy™ seat cushion is an in-stock item that can be ordered and shipped quickly, and is available in quantities of fifty cushions per carton. You can expect to earn 100% return on your investment with this product.

Pricing for the standard BenchBuddy™

BenchBuddy™ seat cushions are \$100 per carton – 34 cushions per carton
Shipping & Handling is \$5 per carton to anywhere in the Continental United States

Special offer to NABCA Members: Please login to Club Central at the www.boosterclubs.org website.

EZ Pay Option – This very helpful option is for all NABCA members. The fundraiser can order a limited supply of standard BenchBuddy™ seat cushions and pays no money when the order is placed. At 45 days, the total balance owed is due. The NABCA member simply agrees to these terms at the time the order is placed, and agrees to pay Grand Terrain Products \$3.00 per cushion sold, and your school keeps the profits. This allows for the purchase to be made without any outlay of cash, and for the eventual payment to be made with funds received from sales.

Customizing options:

Colorful adhesive labels displaying your organizations special artwork is a very convenient option. This enables customizing of seat cushions within short notice and smaller quantities. These labels are available in a variety of different colors, shapes, and sizes, and with today's digital quality graphics, the results are impressive! Display your team logo, roster, sports schedule, local business advertising, or any other ideas you come up with!

Direct printing is also available.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott G. Helms".
